Statement

The intent of the iPad program at MacKillop Catholic College is to provide tools and resources for today’s learner. Excellence in education requires that technology is seamlessly integrated throughout the educational program. The individual use of iPads is a way to continue to empower students to maximize their full potential and to prepare them for future study. Effective teaching and learning with iPads integrates technology into the curriculum at any time and any place.

Guidelines

In exceptional circumstances and at the discretion of the Principal, the College may decide to lend an iPad to a student. Families will be required to complete and sign an acceptable use agreement, comply with all MacKillop Catholic College and Tasmanian Catholic Education Office policies and procedure (especially No.15 iPad Use Policy) and pay a $100 refundable bond.
