Statement

National Work Health and Safety (WHS) legislation including WHS regulations and WHS Codes of Practice came into effect on 1 January, 2013. The legislation requires all organisations to manage WHS in a systematic manner.

Definition

WHS Management System: MacKillop Catholic College will implement a WHS Management System comprising an integrated suite of statements, procedures, plans and resources to systematically manage work health and safety risks.

Guidelines

MacKillop’s WHS management system is underpinned by the College leadership team as well as being implemented into and within the culture of the school. The WHS management system is best represented by the following diagram:
