From the Library

On the 22nd May at 11.00 am students from MacKillop College will be participating in National Simultaneous Storytime for 2013.

Storytime is an important annual campaign that aims to encourage more young Australians to read and enjoy books. This event hopes to promote the value of reading and literacy using an Australian children’s book that explores age appropriate themes and addresses key learning areas of the National Curriculum.

Every year a picture, book written and illustrated by an Australian author and illustrator is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country.

This year’s book is The Wrong Book, written by Nick Bland and published by Scholastic Australia.

Nicholas Ickle is trying to tell a story, but he keeps getting interrupted by characters from other stories – a pirate, a queen, even some monsters! To get a chance to tell his story, he has to convince others that they are in the wrong book!

Enjoy!
