As we have moved toward a darker shade of navy blazer, and with the girls' thoughts in mind, we have sourced both a change of fabric and design for the girls' summer uniform. We are very keen to hear from parents with their thoughts on the possible uniform re-design. There is a link on the home page of our website which both gives you a clearer view of the colours and design and an opportunity to send us your thoughts, positive or negative, on our new uniform direction. Or make direct contact through the following email address: uniform@mackillop.tas.edu.au

(Please refer to the current issue of our newsletter for possible changeover details.)
