Dear Parents of Year 7 Students

In Term 2, all Year 7 students will begin using their iPad as an integral part of their educational program at MacKillop Catholic College. As part of the program we would like to invite you to an information evening that will outline the iPad program at our school and give you an insight into the importance of the initiative. The meeting will be on Wednesday, April 2 at 7.30 pm in the Gym.

The evening will introduce you to why the school has taken this approach in our educational program, how we manage the iPads in the classroom and how you can manage the iPad in your home. There is no doubt that the introduction of this technology has placed extra demands on teachers and parents, but with a few basic rules and understandings we can explore the tremendous potential this technology offers. We have put together a handbook with lots of advice for parents in dealing with the iPad in the home and this will be distributed on the night.

We feel that this is an essential information session for all Year 7 parents and we look forward to meeting as many of you as possible on the night. Students are welcome to attend, but an iPad is not required for this evening.

Please complete the intention to attend via the slip below and return via the Home Room satchel at school no later than Tuesday, April 1.

Please note that to help parents with the purchasing of our Winter uniform the Clothing Store will be open from 6.00 pm on this evening.

Kind regards,

Dr Sally Towns        Mrs Olivia Stephen        Mr Mike Dilger
Principal             Year 7 Co-ordinator      eLearning Co-ordinator
