Birchalls will be handling all your Back to School requirements for student stationery for 2016. There are no specific need for textbooks this year. Birchalls have a well established Back to School operation at the Royal Hobart Showgrounds where parents and students can select their stationery requirements. Each school has a dedicated area for specific stationery requirements, which is organised in year group order. There is also a large area dedicated to general Back to School stationery items. This allows parents and students to select what they require.

Please read the attached information from Birchalls for opening days and times between Monday 4 January and Saturday 30 January 2016 (4 weeks). Parents and students can choose their stationery requirements at any time during this four week period.

A list of the stationery required for Year 9 for 2016 is attached. Many of the stationery items are used again in Year 10, so students are encouraged to take good care of all their stationery. Please note that students will be given access to their Electronic Student Planner once at College. The cost of this is included in the school fees.

iPads
Students are required to retain their iPad from Year 7. Please ensure that iPads are in good working order. All students must have a sturdy cover with good corner protection for their iPad. Students will not be allowed to use their iPad at the College if they do not have a cover in place.

A $40 IT levy will be added to the March fee installment. This helps to cover the cost of bulk purchasing apps that will be used in the classroom.

It should also be noted that although we use the iPad for many tasks in the classroom, it does not take the place of regular stationery. Students must have the general stationery requirements listed overleaf as well as the subject specific stationery and texts. A Sharp scientific calculator for Maths should be retained from Year 7 and is essential as the iPad calculator is not suitable.
**Other Requirements**

There are a number of other **compulsory** items which students require which are not on the listing:

- **Cloth Apron for MDT** (available from Uniform Shop for $10)
- **Safety Glasses for MDT**
- **Storage container clearly named** for Food Studies/Hospitality
- **Chef’s hat for Food Studies** (available from the Uniform Shop for $6)
- **Aprons for Food Studies will be supplied by the College in 2016**
- **College cap** for all HPE classes
- **Black school shoes** – Students are not permitted to participate in practical lessons in either the Food Studies or MDT areas, if they are not wearing leather school shoes. If students are not in the correct footwear, they will be set theory for the duration of the lesson. Students who have an old pair of school shoes may choose to keep the old shoes either in their bag or at the College if the above lessons clash with their allocated HPE day.

For **GENERAL USE**, students will need the following items, which can often be found at home or can also be purchased from Birchalls at the Royal Hobart Showgrounds:

- Please ensure students have sufficient supply of these items for the year:
  - 2 blue biros, 1 red biro  
  - Coloured Pencils  
  - Marker Pens (10 colours)  
  - Highlighter  
  - 2 x Erasers (1 for Art)  
  - Wooden Ruler  
  - Pencil Sharpener  
  - 2 x Glue sticks  
  - Scissors (round end preferred)

- **USB Memory Stick** – It is desirable for students to have a USB memory stick (4GB) to transfer their work between the College and home electronically. This is a useful tool across all subjects, not just computing. You may already have one at home you can use.

- **Ear bud ‘phones** – Students are also required to obtain ear bud ‘phones for their iPad. They will be essential for effective use of the iPad in class as many audio visual resources will be in use. It is advisable to store them in a small bag in your son/daughter’s pencil case.
