## State Schools Basketball Championship 2021

Well done to Mr Davey & his Year 7/8 Boys' who gave their best over the weekend at the State School Titles. They drew a tough draw & only lost narrowly on the Saturday to both St Pats & Marist, who were the eventual Runner's Up to Burnie High. On the Sunday they came up against Scotch Oakburn & Smithton & despite controlling the majority of both games couldn't quite hold on for the win. To have 4 tough hit outs all within 10 points difference shows you were in the mix boys so congrats on a super effort.

We are all very proud of you & Mr. D qualifying for this Tournament. Well done again on being positive role models for our College at this Tournament.

BIG THANKS to Mr D for giving up his time to coach & support you all. You are a STAR!!!
