

**INFORMATION FOR PARENTS AND CAREGIVERS OF  
PROSPECTIVE [YEAR 7] STUDENTS.**

## **Nomination for school preferences for Year 7, 2023**

The Principals of the Catholic schools in the Greater Hobart area work together when finalising placements for [Year 7] students.

We have common criteria and enrolment policies, which guide our decision making, particularly in ensuring that every Catholic student is offered a place in a Catholic school. It is not always possible for all applicants to be placed in the school of their choice, as many factors must be taken into consideration.

To assist us in making the most equitable decisions, we ask that you fill in the section below and return it to Tasmanian Catholic Education Office who will be coordinating enrolments for the Greater Hobart Region (contact details below) by **Friday, September 10, 2021**. *To have a second and third choice you must have completed an enrolment form for the schools listed and submitted this form to the school.* If your preference is not received by the above date the enrolment will be last to be considered.

Yours sincerely  
Principals of Greater Hobart Catholic schools
